All Health Insurance Leads are NOT created equal. Most fall into two categories - organic or paid and affiliate. **We do not have affiliate leads - we generate 100% of our own leads at this time.**

We understand not all leads are perfect, despite our best efforts. We pre filter for common issues, and offer fair exchange on leads within 10 days. We are not the largest lead company - and we concentrate on **QUALITY** over **QUANTITY**. If you want 400 cheap low quality leads per day - this is not for you.

OUR PROMISE TO AGENTS -

No hype, No hidden fees or tricks, Cancel anytime, No large deposits, 100% self generated leads with a FAIR lead return policy.

What more could you ask for?

**HONEST. ETHICAL.
NO HYPE.**
